The teleconference was called to order at 11:00AM. The LEPC/SERC training event in Anchorage in May was discussed. Wanice Cowles gave an update on the SERC Training Website; all agreed it was looking much better. The training with the Interoperable Communication grants is still in the early planning stages.

Discussion ensued as to recruitment for Mike Branum, Clifford Husted, John Downes and Ken Slauson whom have or are departing their current positions.

Upcoming training events included the ICS 300 at Anchorage EOC May 28, 29 and 30th PA Training at Anchorage SERC, AK Hazmat symposium April 25. May 18-10 at Chaichmuit.

The Whistle stop program was discussed it seemed to work well, community attendance varied with some very successful communities and some communities having little to no attendance. This may not include trains in the future.

Michelle Discussed NIMS CAST the grants funding in over 200 plus communities could be affected by the changes

The next teleconference was tentatively scheduled for 26 June at 11:00 AM

Meeting was adjourned. At approximately 12:00 PM
