

Ft. Richardson Gate to DHS&EM Directions

To DHS&EM from Ft. Richardson Main Gate

Enter Ft. Richardson from the Glenn Highway. Follow the dotted line. After passing through the gate or leaving the Visitor Center, take the first right turn after the reader board. Stay to the right and turn at the small guard hut after entering the large paved area (see diagram below). This is Ruff Road and it winds around the airstrip and through the trees, ending up at a “T” intersection. Turn right at the “T”, and then enter the parking lot. DHSEM is in the nearest end of the building on the second floor.

DHS&EM Phone: 428-7000.
