Basic Emergency Kit

Arenqiallugtem Nallini Cat Upingaarkataten

You may have some of these basic emergency kit items already, such as a flashlight, battery operated radio, food, water and blankets. The key is to make sure they are organized, easy to find and easy to carry (in a suitcase with wheels or in a backpack) in case you need to evacuate your home. Whatever you do, don't wait for a disaster to happen.

Easy to carry – think of ways that you can pack your emergency kit so that you and those on your emergency plan can easily take the items with you, if necessary.
